DEDICATION

AUSTIN T. BOBLET

For having given generously of his help, time, and energy to make our class organization a success; for always having been understanding and thoughtful; for having made our years in high school more pleasant just by his presence we, the Senior Class, dedicate this, the 1950 Ulati, to our class advisor, Austin T. Boblet.

ADMINISTRATION

L. E. WILLIAMS
Principal

PRINCIPAL'S MESSAGE

The chief value of education today is in the development of personality. An individual's personality, in turn, has implications in the fields of training for service in a vocation, for character building, for community life and for contribution as a citizen. There is far less danger that you as high school graduates may have already failed to secure, or may fail to gain adequate training to make a living, than that you will fail to meet the other challenges that education thrusts before its students. The world has need that you center your thoughts henceforth upon the higher aspects of life.

BOARD OF TRUSTEES

The board of trustees of the modern high school is charged with far-reaching responsibilities. The establishment of policies of educational offering, school administration, financial control and public reactions demand men of vision, public spirit and self-denial. Our heartiest thanks to the men of the Vaccaville Union High School Board of Trustees for the excellent manner in which they measure up to their high responsibilities.

SENIOR CLASS HISTORY

When the class of 1950 entered the arches of Vaca Hi, we, like all innocent freshmen, had to be initiated, put to trial, and sentenced to be underclassmen for the rest of the year. We made a thrust for freedom and gave our Freshman Frolic. As making money was a must, we sold hot dogs and cokes at the Benicia football game. Later in the year we took our ribbons for placing in Black and Orange Day Sports.

The following year we, as Sophomores, initiated those oh so lowly Frosh. Our Sophomore Hop was a big success as we danced in a Chinese garden.

We became upperclassmen, and in our third year, we held our Junior Prom in the Land of Tulips. To let ourselves be known we "shone" during Black and Orange Day events. A money-making project for the year was the raffling of a table model radio.

Our biggest and best year was our last. As Seniors, we had our pictures taken, ordered graduation announcements, and purchased personal cards. We had daily hot dog sales at noon for nearly three weeks before Christmas. With the beginning of the second semester we made plans for our Senior Play, "Mama's Baby Boy," Senior Sneak, which was held at Donner Summit on March 1st, the Annual Senior Supper and our Senior Ball. Our goal was finally reached when on June 1st, to the strains of the traditional "Pomp and Circumstance," we marched up the aisle to receive our long awaited diplomas.

The highlight of the Junior Class activities was their Junior Prom. Near Valentine's Day, it carried a Valentine theme. A huge white tree with small hearts dangling from its limbs was placed in the center of the gym and small valentines were scattered around the walls.

The Annual Junior-Senior Banquet was held on March 29th.

Class Advisors for the year were Lawrence Record and David Shier.

The Freshman class opened the school year by giving the annual Freshman Return on October 6, 1949.

The class chose the Rio Vista basketball game here for their concession and made a tidy profit by selling cokes along with hot dogs and candy.

The outstanding athletes of the class are Manuel Pulido, Donald Jones, Jack Hodgins, and Richard Brownwood. The latter was captain of the "B" football team.

Advisors for the year were Mr. Kubli and Miss Schlosser.

THE ULATIS STAFF

The Ulatis Staff, composed of nineteen members, started the year by soliciting advertisements of the merchants of the city. The type of cover and the publisher were selected and contracts were signed. With this completed the staff went to work arranging and titling the pages of the yearbook. The members of the staff were appointed to work on various pages and they began to get the book in shape. The difficult task was finally accomplished when the lucky students of Vaca Hi received their yearbooks during the last week in May.
